

Deployment tehtävä

Repo: <https://github.com/lilahaj/Yll-pito-ja-testaus-Deployment?tab=readme-ov-file>

Dokumentointi tehty README.md tiedostoon. Tässä ovat screenshotteja vaativat kohdat ja kopio readmesta.

1. Toiminta ja asennus

Kirjaston testaus toteutettiin Mochalla ja Chailla, koodikattavuuden mittauksessa käytettiin c8:a. CI/CD-putki on luotu GitHub Actions -järjestelmään. Työnkulkuihin kuuluu automaattinen testien ajo useilla eri Node.js-versioilla sekä lähetys Coveralls-palveluun, kun koodia pushataan mainiin.

2. Testatut ja testaamattomat tiedostot

- **Testatut tiedostot:**

File	% Stmts	% Branch	% Funcs	% Lines
add.js	100	100	100	100

- **Testaamattomat tiedostot:**

`chunk.js`, `compact.js`, `toFinite.js`, `toNumber.js` ja `memoize.js`

3. Tuotantovalmiuden arviointi

Kirjasto ei ole missään nimessä valmis tuotantokäyttöön.

Vaikka ohjelmisto saavuttaa lähes täydellisen testikattavuuden lukumäärällisesti, Chai paljasti useita virheitä. Tämä toimii erinomaisena esimerkkinä siitä, että pelkkä kattavuusprosentti ei anna takeita ohjelmiston laadusta.

Löydetyt bugit:

Bugit ovat mainittu **Issues** välilehdessä.

4. Käytetyt työkalut ja linkit

- **Coverage Status:** Raportti ja Badge Coverallsiin (linkattu tiedoston yläreunassa).
- CI putken testien raportointi käy selväksi GitHubin **Actions**-välilehdeltä ja vikojen raportointi **Issues**-välilehdeltä.

Testit

```
$ npm run coverage

> software-testing-assignment@1.0.0 coverage
> c8 --reporter=text --reporter=lcov --exclude "src/.internal/**" --check-coverage --lines 60 npm test

> software-testing-assignment@1.0.0 test
> mocha test/*.test.js

Simple coverage tests
  ✓ add should add two numbers
  ✓ at should return values at given paths
  1) camelCase should convert to camel case
  ✓ capitalize should capitalize the first letter
  ✓ castArray should make an array
  ✓ ceil should round up
  2) clamp should restrict a number
  ✓ divide should divide two numbers
  ✓ drop should drop elements
  ✓ filter should filter elements
  ✓ get should retrieve value
  ✓ isEmpty should check if empty
  ✓ reduce should accumulate values
  ✓ toString should convert to string
  ✓ words should split to words

More simple coverage tests
  3) countBy counts elements
  4) defaultTo returns default value for null/undefined/NaN
  ✓ difference returns difference of arrays
  ✓ endsWith checks end of string
  ✓ eq compares values
  ✓ every checks if all elements pass
  ✓ isArguments checks if value is arguments
  ✓ isBoolean checks if value is boolean
  ✓ isDate checks if value is date
  ✓ isLength checks if value is valid length
  ✓ isObject checks if value is object
  ✓ isSymbol checks if value is symbol
  ✓ isTypedArray checks if value is typed array
  ✓ keys returns keys of object
  ✓ map iterates and maps array
  ✓ slice creates slice of array

27 passing (26ms)
4 failing

1) Simple coverage tests
   camelCase should convert to camel case:

  AssertionError: expected ' fooBar' to equal 'fooBar'
+ expected - actual

- fooBar
+fooBar

at Context.<anonymous> (file:///C:/Users/fedor/Downloads/Yll-pito-ja-testaus-Deployment/test/all.test.js:32:37)
at process.processImmediate (node:internal/timers:485:21)

2) Simple coverage tests
   clamp should restrict a number:

  AssertionError: expected -5 to equal 5
+ expected - actual

--5
+5

at Context.<anonymous> (file:///C:/Users/fedor/Downloads/Yll-pito-ja-testaus-Deployment/test/all.test.js:51:33)
at process.processImmediate (node:internal/timers:485:21)

3) More simple coverage tests
   countBy counts elements:

  AssertionError: expected { '3': 1, '5': +0 } to deeply equal { '3': 2, '5': 1 }
+ expected - actual

{
-   "3": 1
-   "5": 0
+   "3": 2
+   "5": 1
}

at Context.<anonymous> (file:///C:/Users/fedor/Downloads/Yll-pito-ja-testaus-Deployment/test/more.test.js:25:71)
at process.processImmediate (node:internal/timers:485:21)
```

```

4) More simple coverage tests
   defaultTo returns default value for null/undefined/NaN:

AssertionError: expected NaN to equal 10
+ expected - actual

-NaN
+10

at Context.<anonymous> (file:///C:/Users/fedor/Downloads/Yll-pito-ja-testaus-Deployment/test/more.test.js:39:42)
at process.processImmediate (node:internal/timers:485:21)

```
